

Technical Assistance and Training Resource

Project Name Community Alliance for Culturally and Linguistically Appropriate Services (CLAS)	Contractor Name OnTrack Program Resources, Inc.
Contract Number 10-00216	Address 1331 Garden Highway Sacramento, CA 95833 Contact: Madalynn C. Rucker Phone: (916) 285-1810 FAX: (916) 285-1862 E-mail: mcrucker@ontrackconsulting.org Web: http://ontrackconsulting.org/
Description of Technical Assistance/Training Services or Materials	<p>The California Department of Alcohol and Drug Programs has contracted with ONTRACK Program Resources to support the development of culturally and linguistically competent programs for the diverse population of Californians with substance use disorders. Community Alliance for CLAS offers services based on the cultural competency needs of communities and program providers throughout the state. The project is designed in accordance with the federal CLAS Standards and other best practice cultural competency models in order to reduce health disparities and improve outcomes among the state's diverse racial, ethnic, linguistic, sexual minority, and other cultural populations.</p>
Populations or Groups Served	<p>California AOD service providers (both nonprofit and for profit/private providers, regardless of licensure or certification status), county AOD administration offices, coalitions or local groups, community-based programs, faith-based organizations, and state government agencies may apply for TA and training under this contract.</p>
Eligibility Criteria	<p>To receive cost-free consulting services and continuing education hours for staff, participating agencies must agree to do the following:</p> <ol style="list-style-type: none"> 1. Participate in an online assessment of your agency's capacity to provide culturally and linguistically appropriate services to your clients. 2. In a telephone consultation, develop a customized and feasible technical assistance (TA) and training plan to address your agency's specific cultural competency needs. 3. Participate in a follow up re-assessment at the conclusion of your consultation and training period. 4. Complete two evaluations (Initial and Follow-up) of the technical assistance your agency received. These evaluations are utilized to continuously review and improve service delivery. ONTRACK is committed to ensuring that the services provided under this contract meet the quality and standards required by the use of public funds.
Application Procedure	<p>Call, write, or e-mail to request a technical assistance application.</p>
Time Limit on Availability of Services ADP Project Representative Phone	<p>Contract with ADP expires on October 30, 2013.</p> <p>Brian Snow</p> <p>(916) 324-5966</p>
